DECLARATION

Hon. Commissioner of Patents
and Trademarks
Washington, DC 20231

Sir:

We, J. Brice Weinberg and Barton F. Haynes, declare and
state as follows:

1. We are the inventors of the subject matter of claims 8-
15, set forth in the Amendment filed December 23, 1993.

2. The studies described in the attached manuscript
entitled "Inhibition of HIV-1-BaL Infection of Mononuclear
Phagocytes by Anti-CD44 Antibodies", were carried out at our
request and under our direction and supervision.

We hereby declare that all statements made herein of our
knowledge are true and that all statements made on information
and belief are believed to be true; and further that these
statements were made with the knowledge that willful false

WEINBERG et al -- Serial No.: 08/047,068

statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Further, declarants sayeth not.
